Productivity meets truly affordable colour

WorkCentre[®] 7232 / 7242 multifunction system

Open the door to a new level of office possibilities.

Superfast, low-cost black and white printing and copying give you the robust productivity you rely on every day. Plus, you get advanced scanning and faxing functions to increase your office workflow options. But why limit yourself to black and white? For those times you need high-impact, beautiful colour, the WorkCentre 7232/7242 multifunction system delivers for a lot less than you might think.

► Real-world performance

Fast and ultra-productive with a host of cutting-edge office capabilities, the WorkCentre 7232/7242 multifunction system is the ideal choice for small to medium sized workgroups with a variety of business-document demands.

► Maximum efficiency

Xerox-exclusive workflow solutions streamline the way you work. Powerful scanning tools let you convert hard copies into digital files for automatic routing and archiving, while faxing and emailing capabilities provide even more options.

► Peace of mind built in

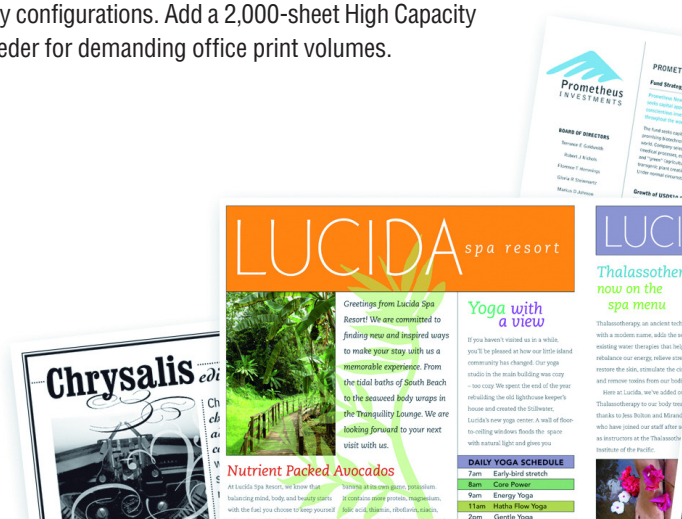

Easily add colour for more impact on important documents while maintaining complete control over colour usage to keep costs to a minimum. Advanced security features ensure your business-critical information stays safe and sound.

► Just the right fit

Priced to match black and white and designed to smoothly perform multiple tasks, the WorkCentre 7232/7242 multifunction system is your ultimate team player. You get the convenience of one system that's easy to use with the flexibility to handle just about any office workload.

Speed and image quality

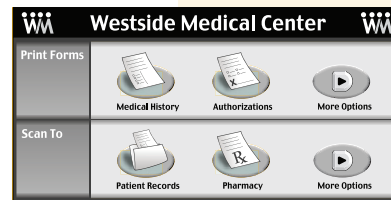

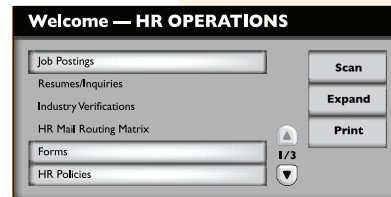

- A black and white copy and print speed of up to 40 ppm keeps up with the busy pace of your office.
- Colour pages print at up to 10 ppm – fast enough to replace your existing colour inkjet or laser devices.
- Exceptional print quality thanks to 600 x 600 dpi x 4-bit print resolution. You get outstanding office graphics and crisp text for professional results, page after page.
- Xerox EA-HG toner technology – with particles engineered to have uniform size and shape – gives your work enhanced image quality and increased toner yield. It's the same high-quality toner used in our professional graphic arts colour devices.
- Print documents up to A3 with automatic two-sided printing, useful finishing options and multiple paper tray configurations. Add a 2,000-sheet High Capacity Feeder for demanding office print volumes.

Personalise and customise your MFP

The control you need

- The internal Auditron feature lets administrators set black and white and colour limits for copy, fax and scan functions for greater cost control.
- Xerox Standard Accounting makes it even easier to analyse device usage by providing helpful reports.
- Colour authorisation via MS Active Directory™ provides greater cost control by allowing unlimited black and white output while limiting colour printing and copying to select users.
- Secure Access Unified ID System enables users to log-in at the device with their magnetic or proximity ID card for secure single sign-on access.
- The Secure Print and Secure Fax safety measures ensure your sensitive information stays private.
- The Data Security Kit encrypts all data stored on the device's hard disk and can be configured to automatically overwrite specified job data.
- Filters for IP addresses and domains, as well as port blocking, protect your device from unauthorised network access.

Xerox **Extensible Interface Platform (EIP)*** takes your office productivity to the next level. The open architecture allows you to create the personal touch screen interface that you need to simplify your working day. Use EIP to keep all your frequently used applications on the front screen or even to develop bespoke workflows. **Only your imagination will limit EIP's potential.**

*Available post-launch.

Fits your office, fits your budget

- Copy, print, scan and fax. You get a performance-packed device for a hard-to-beat price, with the low-cost black and white printing you expect plus attention-grabbing colour when you really need to make a good impression.
- SMart Kit™ technology always monitors critical device components to predict and prevent downtime.
- CentreWare® Internet Services works seamlessly with your web browser to give you quick access to print jobs and online support without leaving your desk.
- Whether using the walk-up interface or controlling the device via the print driver, the WorkCentre 7232/7242 multifunction system is extremely easy and intuitive to use.
- Additional paper tray options let your workgroup produce huge volumes of work without reloading paper, and a choice of two finishing options provide more print job flexibility.

Powerful scanning solutions

- **Scan to Mailbox** lets you send electronic files to the WorkCentre 7232/7242 multifunction system's hard drive for easy retrieval.
- **Scan to Home** sends files to pre-assigned "home" destinations for fast routing.
- Convert scanned documents to **text-searchable PDFs** for fast information retrieval. 
- **Scan to Email** lets you route files to email recipients directly from the front panel.
- **Compression** technology creates smaller scan files for faster delivery and reduced network load. 
- **Network scanning** uses convenient templates to send scans to pre-defined locations.
- **Job Flow Sheets** simplify everyday workflows by routing documents to predefined locations, including preset email addresses, fax destinations and FTP/SMB sites.
- Full compatibility with other Xerox office solutions, including **SMARTsend®** software for advanced document routing. 

		WorkCentre 7232	WorkCentre 7242
Speed		Up to 32 ppm black and white / 10 ppm colour	Up to 40 ppm black and white / 10 ppm colour
Duty Cycle		Up to 100,000 images / month	Up to 125,000 images / month
Paper Handling		Bypass Tray: 100 sheets; Size: 89 x 98.4 mm to A3 Tray 1: 520 sheets; Size: 139.7 x 182 mm to A3, auto paper size sensing	
Paper input	Standard	Platen or Duplex Automatic Document Feeder (DADF): 75 sheets; Size: 125 x 115 mm to 297 x 432 mm Two Tray Module: 520 sheets each; Size: 139.7 x 182 mm to A3, auto paper size sensing High-Capacity Tandem Tray: One 900-sheet tray, One 1,200-sheet tray; Size: A4 (long-edge feed) High-Capacity Feeder: 2,000 sheets; Sizes: A4 (long-edge feed); Max. paper capacity: 4,720 sheets	
	Optional	Platen or Duplex Automatic Document Feeder (DADF): 75 sheets; Size: 125 x 115 mm to 297 x 432 mm Two Tray Module: 520 sheets each; Size: 139.7 x 182 mm to A3, auto paper size sensing High-Capacity Tandem Tray: One 900-sheet tray, One 1,200-sheet tray; Size: A4 (long-edge feed) High-Capacity Feeder: 2,000 sheets; Sizes: A4 (long-edge feed); Max. paper capacity: 4,720 sheets	
Paper output	Standard	Automatic two-sided, Two 250-sheet Centre Catch Trays (Offsetting Upper Tray) + 100-sheet Side Tray	
	Optional	Integrated Office Finisher: 500-sheet stacker, 50 sheets stapled, single-position stapling Office Finisher: 1,000-sheet stacker, 50 sheets stapled, 3-position stapling	
Print		As fast as 14 seconds black and white, 23 seconds colour (warm up time: less than 30 seconds)	
First page out time		As fast as 14 seconds black and white, 23 seconds colour (warm up time: less than 30 seconds)	
Print resolution		600 x 600 x 4 dpi, up to 1200 dpi with resolution enhancement	
Connectivity		10/100 BaseT Ethernet, USB 2.0, optional 802.11b/g (via 3rd party)	
Language support		XPS, PCL 5c, PCL6 emulation, Optional Adobe® PostScript® 3™	
System		667 MHz Power PC, Standard 40 GB Hard Drive, 1.2 GB Memory, Xerox Extensible Interface Platform (EIP) enabled	
Print features		Automatic two-sided, Secure print, Delay print, Sample set, Booklet creation, Cover selection, Paper election by attribute, Multi-up, Watermark, Banner sheets, Fit to new paper size, Transparency interleave, Output tray selection, Store and recall driver settings, PDF Direct printing, Save to Mailbox (requires a Scan Kit), Save driver settings by application	
Copy		As fast as 6 seconds black and white / 15 seconds colour	
First copy out time		As fast as 6 seconds black and white / 15 seconds colour	
Copy resolution		600 x 600 dpi	
Copy features		Automatic two-sided, Electronic pre-collation, Automatic Tray selection, Build Job, Negative/Mirror image, Booklet creation, Multi-up, Auto RE, Mixed-size originals, Auto registration, Covers, Sample set, Book copying, Store and recall job programming, Bates stamping, Annotation, Auto colour selection, Area designation, Poster, Watermark, ID Card copy	
Fax (optional)		Walk-up Fax (one-line or three-line), LAN fax, Internet fax, Server fax	
Fax features		Mailbox, Two-sided Send and Receive, print on fax up to A3, Selectable Output Tray, Fax Build Job, Fax Bound Originals, Fax forward to email using Job Flow Sheets	
Scan (optional)		Scan to Email, Scan to Mailbox, Network Scanning Optional: Scan to PC Desktop® Business Edition (5 seat license, Pro and SE versions), SMARTsend™	
Scan features		PDF, JPEG, TIFF, Multi-page TIFF, XPS, Mixed Size Originals, Scan Build Job, Auto Colour, Templates, Programmable Job Flow Sheets, Optional: Text searchable PDF/XPS and MRC compression Scan Speed: up to 50 ipm B/W, 45 ipm Colour @ 200 dpi	
Security	Standard	Secure Print, Secure Fax, Network Authentication, IP Address Filtering, Domain Filtering, Port Blocking, IPv6, 802.1x	
	Optional	Data Security Kit includes Hard Disk Overwrite and Data Encryption, Scan Kits include encrypted PDF and password-protected PDF, Xerox Secure Access Unified ID System™ enables single sign-on	
Accounting	Standard	Print, Copy, Fax, Scan (colour and B/W) – Internal Auditor controls access and tracks usage, Xerox Standard Accounting, Active Directory (print, copy)	
	Optional	Network Accounting Kit and Xerox Alliance Partner Solutions	
Other options		Foreign Device Interface, Wireless LAN kit (3rd party), Stand
